WATERLESS HAND CLEANER TOWEL

The same ideal, waterless
hand cleaner towels that goes
...any where
...any place
...any time.

Works fast to remove embedded grime, grease and dirt while conditioning and softening hands at the same time.

The number one professional hand cleaner has changed...

Now with 11% more towels in a new "HVAC 80" towel bucket that was especially designed to satisfy all the HVACR and plumbing professionals on the job hand cleaning needs.
